DIARY NOTES

DD/S *11/5*

13 April 1964

1. At the Executive Committee Meeting this morning:

a. General Carter asked about the status of the liaison services report which he requested some time ago. I told him that the Office of Security had completed this report and it is now being reviewed by the Chief, WE Division and the Chief of Station, [REDACTED] (After the meeting I telephoned Howard Osborn to convey General Carter's interest and to request that this report be expedited.)

b. Mr. Kirkpatrick requested that the Office of Security develop a short position paper which could be used to advise employees who might desire to join the International Club. Since on two previous occasions it was decided that the Agency would not sponsor membership in this Club, this is an individual proposition and the position paper should be developed with this fact in mind. (I requested the Office of Security to develop this paper without delay.)

c. Mr. Kirkpatrick announced that the President's Foreign Intelligence Advisory Board had now decided that they would require only one report a year from the agencies of the Intelligence Community. This report will be due on 1 September of each year. [REDACTED] please take note. I want to get this report started early enough so that we can give them a good, condensed, concise section for the DD/S components.)

2. I talked with General Carter about changing the V.I.P. transient quarters at [REDACTED] from Quarters 3 to Quarters 2. He agreed with my earlier conclusion that we should not spend the money necessary to make this change at this time.

3. Bob Daly, Commissioner of Public Buildings Service, telephoned to read me the letter which he proposed to send to Senator John J. Williams of Delaware in response to the latter's letter of 18 March. I concurred in the letter as he read it over the telephone. It explained how McCloskey and Company was selected to be the contractor and provided a list of the sub-contractors and the insurance company as Senator Williams requested. It
